## North Carolina Division UDC - Credentials Report

The top shaded section is a recognition of registered members of the Executive Board at Division Convention. We do not have a Credentials report on Thursday during the Executive Board meeting because it is a different voting body. It is just like a Winter Board or Spring Board, we just happen to hold it the day BEFORE the convention opens on Friday morning with the first business session. It is important to note that the count for the Executive Board is done from the Roll Call of the meeting not from registered convention attendees.

### Standing Rule 16. SPECIAL CONVENTION PROCEDURES

a. The voting body of the Division Convention shall consist of all Division Officers, Ex-Presidents, dues paying Honorary Division Presidents, Chairmen of Committees, District Directors, Chapter Presidents, and all duly elected delegates.

Personal votes are different than Entitled votes. Each member of the Executive Board has one personal vote. If they happen to hold more than one position, they are only entitled to one personal vote. During an election, if a member of the Executive board is also a delegate for their chapter, they are entitled to one personal vote as well as the delegate(s) votes. Otherwise, all votes made at Convention are made with those in attendance - those with personal votes plus delegates. If a member of the Executive board is also a delegate for their chapter, they are entitled to only one vote at that time.
