

## GROWTH AND DEVELOPMENT COMMITTEE

Daughters, it is a pleasure to be asked by our new Division President to serve again as Chairman of the Growth and Development Committee. Mrs. Wilda Council and I have done this quite a few years and over the years tried different ways to raise money. In 2015, we had a Tea Cup Auction. We raised \$276.00. This year, 2016, we had the Silent Auction and raised \$365.00.

We have also learned that the better quality items bring the best prices so we urge each chapter to think of this as you gather items from your members. We had over 20 items this year that no one bid on at all.

If you have an idea of something new for us to try, please let us know. We are open to suggestions. My e-mail is [conniededmon1950@yahoo.com](mailto:conniededmon1950@yahoo.com). Thank you for always supporting the Tea Cup or Silent Auctions. Every little bit we raise helps in some way.
