

NC Division Pages

Pages serve at General, Division, District and Chapter events. Paging provides an excellent opportunity to learn more about the UDC and meet other members.

Page Duties

Pages perform many duties and add grace and elegance to UDC meetings and special events. Pages aid the members by setting up the meeting area, passing notes, providing water, running errands, participating in and leading processions and recessions, presenting and retiring the flags, guarding the doors to the meeting, helping guests manage stairs, helping members find seating, distributing programs, and performing many other tasks to aid in the decorum of the event.

Clothing for Pages

Pages wear white from head to toe. The color should be white, winter white or ivory. No color appliques are allowed on the clothing. No pants are allowed when paging. Pages wear white hose, white shoes and white gloves. Undergarments including camisoles and slips should be worn as necessary. If a purse is to be carried, it should be white. Page sashes are provided by the Division.

Paging Functions at the Division Convention

Thursday: Executive Board Meeting, Memorial Service, Welcome Evening Banquet

Friday: First Business Session, Fellowship Luncheon, Second Business Session, and Historical Evening

Saturday: Final Business Session

There is a Pages' Meeting immediately following the Executive Board Meeting on Thursday morning with greetings and instruction, with a luncheon following the meeting.

NC Division Page Pin

There is a NC Division Page Pin to be worn on the official insignia ribbon which can be ordered following completion of the requirements. The requirements are serving at 8 functions, over 2 Division Conventions. A Page pin application must be completed by the member and signed by the current NC Division Page Chairman. The signed Application and Pin Order Form should then be sent to the Division Vice President.
